Harbour Attendant

About Littlehampton Harbour

With a history dating back to 1735, Littlehampton Harbour is a bustling, small port where no two days are the same!

You will be working with a dynamic and highly skilled marine team, who undertake a diverse range of port activities - including: bed levelling, towage, pilot boat / workboat operations, and all aspects of marine maintenance.

We pride ourselves on providing a high standard of training and continuous professional development.

This role is ideal for an individual seeking to gain experience in harbour operations and the maritime industry.

Key Tasks

- Assist with the maintenance, repair, and, replacement of harbour equipment, berths, infrastructure, and vessels.
- Assist with the inspection and maintenance of Life Saving Appliances, lifting equipment, and vessel coding requirements.
- ·Assist as crew on harbour patrol vessels and workboats when required

Key Skills

- Be an excellent team player as you will work closely with your colleagues to ensure marine operations are carried out safely and efficiently.
- Be polite, with clear communication and customer service skills, as you may need to relay key information to our stakeholders.

Required Qualifications

- RYA Powerboat level 2 desirable
- VHF - Short range Radio Certificate - desirable
- It will be a condition of any offer made that the candidate holds or can pass an ENG1 Medical.
- A full UK Driving Licence (preferable)

Further information

- Due to the need for short-notice call-outs for marine emergencies, we require the Marine Operations Technician to live, or willing to relocate to, within one hours commuting travel time of the Port.

How we value our colleauges

- Salary – £25,000 pro rata
- Hours of work - 37.5 hours per week.
- Seasonal 6 month contract
- Pro Rata - 25 days paid holiday per year, plus Bank Holidays.
